 OFFICE OF PETITIONS

Dear Mr. Hawkins:

Further our telephone conference of earlier today, please find following this letter a copy of the petition, which was filed on February 14, 2002 concurrently with the filing of the Issue Fee Transmittal and drawings. The petition requested acceptance of the late payment of the Issue Fee which was due on January 23, 2002. The petition also included instructions for payment of the publication fee which was due on February 14, 2002.

As it appears that the Issue Fee Transmittal was received and processed, I am not including a copy of the Issue Fee Transmittal or the drawings with this paper. Also enclosed is a statement from G. Valencia Ward-Armstrong, who signed the Certificate of Mailing under 37 CFR § 1.10 affixed to the paper, attesting to the deposit of the petition with the U.S. Postal Service on February 14, 2002.

In further support of the submission of the petition on February 14, 2002, also enclosed is a print-out from the United States Postal Service's web site indicating delivery of the package sent as Express Mail Receipt No. EL818389296US. Also enclosed is a copy of the return postcard indicating receipt by the office of the Issue Fee Transmittal and drawings. Please note, as a result of a clerical error, the petition was not noted on the return postcard. However, as the petition was filed concurrently with the issue fee transmittal, it is believed that the receipt of the Issue Fee Transmittal evidences receipt by the office of the petition.

In view of the foregoing, it is respectfully requested that the petition filed February 14, 2002 be entered and the delayed payment of the issue fee for U.S. Patent Application no. 09/888,930 accepted such that the application may proceed to issuance.

Please feel free to contact me directly by telephone to (212)940-8712 should you require any further documentation or have any questions regarding this paper or the petition filed on February 14, 2002.
